HARROLD'S - REVIEW

JANUARY 2, 1943.

VOL. 2, No. 1.

HARROLD'S PANSY GARDENS & GREENHOUSES

P. O. BOX 29 — GRANTS PASS, OREGON.

It is the purpose of this folder to inform our friends and patrons as to the seeds, plants and bulbs that are seasonable and available at this time. This does not mean that these are the extent of our stock, but rather they are those most likely to be of interest at this time. The prices quoted herein of course supersede previous offers on these items. For a more complete listing of our stock please refer to back issues of this publication. Back copies gladly supplied on request. In requesting them please state what kinds of stock you are interested in.

Attention

THERE WILL BE A DEFINITE SHORTAGE of Pansy plants this Spring. Usually at this time of the year we have on hand about 50% of our years crop. As we go to press a scant 15% of the seasons production of plants is still available.

THERE ARE ADEQUATE STOCKS OF SEEDS AVAILABLE. With the exception of possibly one or two varieties in our list we believe we have adequate supplies of Pansy seeds to meet all reasonable demands until the 1943 crop is harvested.

Because of these facts as stated IT WILL BE MOST ADVISABLE for any grower who will need additional Pansy plants for sale during March, April and May to plant seeds if at all possible.

Pansy seeds sown indoors in late December or early January will produce saleable plants by late March and plantings made as late as February Twentieth will make good Memorial Day stock if properly handled. It is best to plant in flats, transplanting into other flats, then to cold frames as soon as weather will allow in the more severe localities. Transplant directly into coldframes or outdoor beds from the seedling flat in the milder climates. With good culture plants will begin showing bloom in about ten weeks after planting.

To Those Wanting Pansy Plants

As long as available supply lasts we will supply our usual heavy field grown grade of Pansy plants at the same prices as published in the October 24th. issue of this publication. This offer is strictly on a basis of first come, first served and NO hold orders will be accepted. The supply of Harrold's Ruby Giants, Harrold's Pedigreed Cut-Fower Pansies, Swiss Berna and Coronation Gold is exhausted.

Pansy Seeds Harrold's Pedigreed Strains

We believe this group of varieties is the finest available today and it is so complete that nearly any type of requirement can be satisfied by the following varieties. For descriptions of these, see the "Spring and Summer" issue of this publication. A copy will be supplied on request if desired.

VARIETY	Per 1,000 seeds	1/8-oz.	1/4-oz.	1/2-oz.	1-oz.	2-ozs.

Quida:	Fiery scarlet	180	5.85	1300	33.00
Pedigreed Blend:	49 kinds mxd.	1300	42.00	2500	65.00

GLADIOLUS

Our Gladiolus are all carefully inspected, both in the fields and warehouse and will be found as free of all types of disease as any commercial stock obtainable. On this point they must have passed the rigid Oregon State inspection standards as well as our own. In the prevention of thrips infestation our blubs and warehouses—including ALL handling equipment—have been fumigated three times with calcium cyanide under the supervision of an Oregon State horticultural inspector. Bulbs leave these warehouses free from these pests.

While stock listed is quite complete at the time of going to press quantity sales are reducing our stock almost daily. As there will definitely be a shortage in many varieties this year we suggest booking your requirements at once on arrival of this offer. **SHOULD THE SIZE ORDERED BECOME EXHAUSTED**—we will supply the next larger or smaller size to equal value if available. If size substitution is not acceptable please so state at time of ordering. If you wish to make some second choices we will use great care in substituting variety for you.

Our standard grades are all to trade standards—No. 1 is 1½ inches up; No. 2 is 1¼ to 1½; No. 3 is 1 to 1¼ and No. 4 is ¾ to 1 inch diameter. Any size offered will bloom out of doors. Sizes No. 1 and 2 are recommended for indoor and exhibition work.

Some Worthwhile Newer Ones

This group lists the most choice NEW novelties and will prove most interesting to the fancier and exhibition grower. **PRICE IS PER 100 BULBS** but 25 of a kind and size will be supplied at the 100 rate. By the dozen they will be supplied at one fifth of the 100 price per dozen.

VARIETY	Price per 100 bulbs			
	Size No. 1	No. 2	No. 3	No. 4
ALGONQUIN: Early brilliant scarlet.	\$ 5.50	\$ 5.20	\$4.60	\$4.00

CUT FLOWER MIXTURE: Best commercial mixed.	12.00	10.00	8.00	6.00

PLANTS

VIOLA PLANTS

Early sown, field grown these are the same type stock as our Pansy plants. Growing somewhat slower, however, they will not be quite as large plants as Pansies of the same age. A good size for transplanting. Handled the same as Pansy seedlings for growing on.

VARIETY	COLOR	Price per 100
ADMIRATION: Large dark blue.	\$.90
APRICOT: Apricot yellow tinged orange.	1.00
ARKWRIGHT RUBY: Deep red with dark center.	1.00
BLUE PERFECTION: Large purple blue.90
CHANTREYLAND: Pure apricot. Very fine.	1.00
LUTEA SPLENDENS: Fine golden yellow.90
PAPILIO LIGHT BLUE: Penciled throat.90
PUCK: Two top petals purple, bottom golden yellow.	1.00
PRIMROSE DAME: Light primrose.	1.00
PRIMROSE PERFECTION: Deeper primrose.	1.00
WHITE PERFECTION: Large flowered white.	1.00
YELLOW GEM: Pure golden yellow. Very fine.	2.00
IMPROVED SCOTCH BEDDING MIXTURE: Bedding hybrids of many colors. Quite popular.	1.00

Not less than 50 of a variety sold; 250 of a variety supplied at twice the 100 rate.

DELPHINIUM PLANTS

Our stock of these is but about 30% of our normal supply. There was a very short crop of seeds available for planting and as this is a trade wide condition it is most advisable that early ordering be done this spring.

VARIETY	Price per 25	100
CAMEILARD: Lavender self white bee.	\$2.00	\$7.00
ROUND TABLE: The finest mixture of novelty colors.	2.00	7.00
BLACK KNIGHT: The darkest shades. Exquisite.	2.00	7.00
BLUE JAY: A really true blue Delphinium.	2.00	7.00
GALAHAD: A really outstanding double white.	4.00
LANCELOT: Pure lilac self, white bee.	2.00	7.00
LAVENDER SHADES:	1.50	5.00
LAVENDER PASTEL SHADES:	1.50	5.00
PACIFIC GIANTS MIXED: A grand mixture of color.	1.25	4.00

PACIFIC GIANTS MIXED: We have several hundred clumps of these that are two and three years old. The mixture is our own made up from named sorts. **PRICE:** Two year old, 10 for \$2.25; three year old, 10 for \$3.00. Not less than ten sold.

VARIETY	Price per 25	100
BELADONNA HYBRIDS: A grand mixture of Belladonna types.	\$.50	\$1.50
CLIVEDEN BEAUTY: Best improved Belladonna strain.	.50	1.50

These last two are two year old roots.

PERENNIAL PLANTS

The supply of this material is but about 25% of normal this season. The seeds of some items have become unprocurable while labor scarcity brought on by the war has compelled us to reduce our plantings drastically. In the varieties we do have our stock is modest. We suggest this stock for planting at once in the milder climates or that it be potted and carried in a cold greenhouse or frame for spring use where the weather is severe. In any event if you need this stock this spring it is highly advisable that it be procured at once.

VARIETY	Price per 25	100
AQUILEGIA—		
Crimson Star Hybrids: Many new red and copper shades.	\$.75	\$2.50

Dwarf Alpine Mixed: A striking rock garden type.	.75	2.50
TRITOMA— Red Hot Poker.		
Yellow Express: Light yellow and orange. 2 year old roots.	1.00	3.00

HARDY PRIMULA

HARROLD'S PEDIGREED GIANT

This is a new strain on which we have worked for over five years. The plants are compact and of robust growth while the flowers are born on fine stems well above the foliage. Flowers are large, often as large as a silver dollar and the colors are outstandingly brilliant and varied including yellows, reds and purples of real brilliance. Of veris polyanthus type.

Fresh Seeds Supply Limited

Price per pkt - about 200 seeds, \$1.00; 3 pkts for \$2.50.

PLANTS Ready to pot or transplant \$6.00 per 100

The demand for these plants has been so heavy that we are booked ahead until about February first. We suggest ordering any you may want at once as orders are filled in rotation of booking.

GREENHOUSE PLANTS

FLORIST STOCKS

DOUBLE GIANTS OF CALIFORNIA

This strain has been a great specialty with us for several years as we were one of the first seed specialists to recognize their value. We consider these a great improvement over the Giant Imperial or Improved Bismarck strains and if benched 4 x 4 in your benches they produce only one large terminal spike like the Excelsior strain. Set the same as Bismarcks they produce one terminal and many lateral spikes. If you have not tried these we suggest them to you whether you use these plants or let us supply you with seeds as listed in our last edition.

VARIETY	COLOR	Price per 100
GOLDEN GATE: Rich yellow.		\$.80
MOJAVE: Royal purple. Very fine.		.80
MONTEREY: Finest glowing pink.		.80
PACIFIC: Very fine deep blue.		.80
SANTA BARBARA: Chamois.		.80
SANTA MARIA: Finest white. Probably the best known of this group.		.30
SEQUOIA: A fine carmine rose.		.80
THE REDWOODS: A good blood red.		.80
TAHOE: A very fine lavender.		.30
YOSEMITE: Rose. A very popular color.		.30
DOUBLE GIANTS OF CALIFORNIA SUPERB MIXED.		.80

FLOEISTS STOCKS CONTINUED

EARLY COLONIAL

A new race of stocks. Tall and exclusively branching they do not produce a terminal spike but branch from the base; producing 8 to 10 spikes 30" long with a plant spread of about 16". These flower two weeks earlier than the Perpetual Branching types. The florets are double and about 2" in diameter. Doubleness is about 70%. WE HIGHLY RECOMMEND THESE FOR CUTTING.

VARIETY	COLOR	Price per 100
MAYFLOWER: Fine rose red.		\$1.25
PRISCILLA: Silvery lavender.		1.25
PURITAN: Glowing pure white.		1.25
ROSE STANDISH: Bright rose.		1.25
COLONIAL SUPERB MIXED: Well balanced in the above shades.		1.15

SNAPDRAGON PLANTS

FORCING VARIETIES

Greenhouse bench grown these may be potted and held for setting a little later or may be benched for cutflower production on arrival. A nice size now for potting into 2 or 2 1/2 inch pots. Supply only moderate so early ordering is suggested.

VARIETY	COLOR	Price per 100
AFTERGLOW: Popular early flowered bronze.		\$.70
BERTHA BAUR: Orchid lavender. Quite attractive.		.70
CEYLON COURT DARK: Early flowered deep yellow.		.70
CEYLON COURT REGULAR: Early canary yellow.		.70
CHEVIOT MAID: Fine early pink. A well known standard sort.		.70
CHEVIOT MAID SUPREME: Early pink. Deeper than Cheviot Maid.		.70
CHRISTMAS CHEER: (NEW) Early rose pink.		1.00

NOT LESS THAN FIFTY OF A VARIETY SOLD

We can supply seeds of the above and many other florist varieties and will gladly submit a complete list at attractive prices.

OUTDOOR BEDDING TYPES

SUPER MAJESTIC

Plants 16" to 20" high. We like these for outdoor growing because of their close flower placement, large flower heads and a moderately low growth that does not require support. Suggested to florists in California and southern States.

VARIETY	COLOR	Price per 100
AUTUMN GLOW: Old rose suffused amber.		\$.80
DAINTY: Delicate soft pink.		.30
HARMONY SHADES: Terra cotta yellow.		.80
ORANGE SHADES: Rose overlaid orange.		.30
RED SHADES: Crimson, garnet and ruby shades.		.80
ROSE SHADES: Rich Begonia rose. Variable.		.80
ROSE SENSATION: Rich rose pink.		.30
SUPERB MIXED: All of the above colors.		.80

MAXIMUM SUPER GIANT (34" high)

This type is the tallest growing of the Snapdragons. Florets are very large and the flower stems are long and willowy. A good outdoor cut flower subject.

VARIETY	COLOR	Price per 100
ALASKA: Pure white.		\$.80
CAMPFIRE: Luminous scarlet. Very showy.		.80
COPPER KING: Bright copper.		.30
CRIMSON: Fiery crimson shades.		.80
DAFFODIL: A good intense yellow.		.80
LOVELINESS: Soft rose pink.		.80
MANDARIN YELLOW: Deep yellow.		.80
PINK SENSATION: Glowing pink.		.80
SALMON PINK SHADES: As named.		.80
SWING TIME: Brilliant rose pink.		.80
YELLOW GIANT: Largest deep yellow.		.80
INDIAN SUMMER: Coppery orange scarlet. Very nice		.80
SUPER-GIANT MIXED. The above and other colors.		.80

MAJUS GRANDIFLORUM (28" high)

This group affords excellent stock for outdoor culture with long stems and fine flower heads. Should be supported in windy localities.

VARIETY	COLOR	Price per 100
BUTTERCUP: Deep clear yellow.		\$.80
ORANGE SUNSET: Finest orange shades.		.80
PINKIE: Pure rose pink.		.80
ROSALIE: The best deep rose.		.80
SCARLET DEFIANCE: Fine scarlet.		.30

NOT LESS THAN FIFTY OF A VARIETY SOLD

Grandiflora Compacta

These produce large fringed flowers with an upright very compact plant habit. Less robust than other Grandiflora varieties they are good bedding stock under favorable conditions and excellent as pot plants always.

VARIETY	Price per 1/128 oz.	1/4 oz.	1/2 oz.	1 oz.
GAILEY: Rose and white variegated. Very fine.50	\$1.25	\$2.50	
GOTTFRIED MICHAELIS: Velvety magenta, dark throat.50	1.25	2.50	
LACE VEIL: Ruffled pure white Very attractive potted.50	1.25	2.50	
SETTING SUN: Free flowering deep rose, dark throat.50	1.25	2.50	
COMPACTA GRAND MIXED: Fine color range.50	1.25	2.25	

SALVIA SEEDS

Salvia seeds are in modest supply and may run short before all growers are supplied. For this reason it will be advisable that you place your order early. We have received a part of our stock and the balance is expected soon. Orders will be filled in rotation of arrival, however, and this offer is subject to supply.

VARIETY	Price per 1/8 oz.	1/4 oz.	1/2 oz.	1 oz.
AMERICA: Globe of Fire. Medium size mid-season. \$.50	\$1.50	\$2.75	\$5.00
BONFIRE: Clara Bedman. Medium tall.50	1.40	2.50	4.75
HARBINGER: Early flowering dwarf. Very fine.50	1.50	2.75	5.00
SPLENDENS: The tallest Salvia.35	1.25	2.30	4.40
ZURICH: Early dwarf.50	1.40	2.50	4.75

VERBENA GRANDIFLORA

Verbena makes a very fine spring sales plant of much popularity. It is advisable to plant a bit on the early side and freely; the latter because of tricky germination which will frequently show up in the best seeds. Our stock is all the latest crop and we are planting it now in our own greenhouses with excellent results. We don't believe better varieties or more viable seeds will be found.

VARIETY	Price per 1/8 oz.	1/4 oz.	1/2 oz.	1 oz.
BEAUTY OF OXFORD HYBRIDS: Rose pink.	\$.30	\$.55	\$1.10	\$2.00
CERISE QUEEN: Salmon cerise.35	.65	1.25	2.40

LAVENDER GLORY: Lavender, cream eye.35	.65	1.25	2.40
LUCIFER: Brilliant scarlet self.30	.55	1.10	2.00
LUMINOSA: Flame pink shading to salmon.30	.55	1.10	2.00
ROSE CARDINAL: Rose, large white eye.30	.55	1.10	2.00
ROYALE: Royal blue, cream yellow eye.30	.55	1.10	2.00
SPECTRUM RED: Intense bright red.35	.65	1.25	2.40
VIOLACEA STELLATA: Rich violet, white eye30	.55	1.10	2.00
WHITE: Pure white.30	.55	1.10	2.00
FINEST MIXED: A fine color range.25	.45	.90	1.75

OTHER SEED SPECIALTIES

In an effort to conserve materials and labor, yet at the same time make our price list more valuable to our friends and customers in the professional trade this present folder form has replaced the rather elaborate booklets of the past for the duration. Limited space, however, makes the repeated listing of our entire line impossible and we trust our patrons will file the various issues as received and use them for reference throughout the year whenever seeds in our line are needed.

You will find in the following list a grouping of seeds offered in past issues that are not offered in this edition. We suggest consultation of these past issues when you need any of these seeds and if your copy has been misplaced we will gladly furnish another on request. Post card will do and they are free.

SPRING & SUMMER ISSUE — VOL. I, No. 3

Viola Seeds	Delphinium Seeds
Florist Snapdragon Seeds	Annual Larkspur Seeds
Primula Malacoides Seeds	Florist Stocks
Cineraria Seeds	

ISSUE OF AUGUST 25th. — VOL. I, No. 5

THE NEXT ISSUE: in January will cover Bedding Petunias, Marigolds, Asters, Zinnias and a few other groups for planting during late January, February and March. Will quote on your needs for these earlier if you wish.

TERMS OF SALE

PRICES — All prices are made on a basis of cash with order. No deviation will be made from this rule except where special credit arrangement and usual reference check has been made. **SEEDS** can be sent C. O. D. and will be so forwarded in all instances where the above rule is not met. **PLANTS AND BULBS** are **NEVER** sent on a C. O. D. basis. All prices quoted herein are subject to any change in market occurring after this list is published.

REMITTANCE — May be by any of the usual commercial methods of transferring funds. The amount must be in United States money, collectable net, for the full amount of the order. **WE WILL NOT** accept postage stamps as any part of remittance. We use metered postage exclusively and stamps are a total loss.

TRANSPORTATION — **SEEDS** will be shipped by insured post, prepaid. Free Air Mail delivery may be had on seeds under conditions mentioned elsewhere in this list. **PLANTS** and **BULBS** are delivered in so far as our responsibility is concerned when accepted by the transporting agency at Grants Pass, Oregon. We recommend that all perishable material travel Railway Express and unless instructed differently will ship that way.

OUR RESPONSIBILITY — In view of the reasonable prices quoted herein and the varied conditions under which this stock will be grown, it is manifestly impossible for us to guarantee in any manner, descriptive or cultural, the crop resulting from the use of the material listed. Ordering from this list will definitely be construed as your acceptance of these terms as set forth and it is understood that in all cases our liability shall be limited to the actual purchase price paid for any material supplied.

SEEDS

Our stocks of Specialist Grown Flower Seeds are of the finest strains and varieties procurable. They are ALL expressly grown to meet the requirements of the professional grower and may be planted with confidence. In each issue of this publication is given a list of the sorts seasonable at time of publication. If seeds are needed in varieties not listed or that have been listed and you do not have the copy with the proper list please let us know your needs and quotation will be made.

BEGONIA SEEDS

Semperflorens — Fibrous Rooted

These come to us from a famous California grower and are supplied in his original packets. They are all valuable varieties and we recommend them highly.

MASTERPIECE: One of the largest flowered clear pinks with green foliage. The flowers fairly cover the foliage.

ESSEN: Fine large flowered light red, Green foliage.

CHRISTMAS CHEER: Very large dark red with bronze foliage.

CHRISTMAS PINK: Large soft rose pink with green foliage.

CORAL PRIZE: Coral rose. Large flowers and bright green foliage.

APPLE BLOSSOM: Large flowers. Rose pink edge shading to white in center. Green foliage.

Original Growers trade packet \$1.00.

Any three for \$2.75. Any six for \$5.00

PETUNIA SEEDS

This list covers those varieties which are of most interest now and can be sown at this time for pot plants that will meet the spring holiday and bedding demand. It is a good time to consider this as the changing times makes it essential that the most suitable material be used this year to assure the best returns.

We also stock a complete line of bedding Petunias that are usually sown a month to six weeks from now and a complete list of these varieties will be given in our next edition. We will supply this on special request earlier if needed.

Double Flowered

Three years ago we first offered this group of American grown seeds from an outstanding American grower. While its percentage of completely double flowers was not quite as high as that of the Japanese grown "All Doubles" it has been shown to be very good and some very attractive double fringed plants are produced that are fully as attractive as the doubles. Of the two types about 90% of the plants are double or double fringed with the largest number falling into the double class. Plants are compact being about 12" high when well grown.

Another fact that should be pointed out is that we are able to supply 1942 crop seeds of this group which we know will germinate while ALL Japanese "All Double" seeds are of 1940 or possibly 1941 crop.

(One grain contains 1/437th ounce — about 650 seeds)

VARIETY	Price per grain	1/128 oz.	1/4 oz.	1/2 oz.
SUPERIOR MIXED: A fine blend of all colors.	\$1.00	\$2.75	\$5.50	\$10.00
CRIMSON: Amaranth crimson.	1.00	3.00	6.00	11.00
HELIOTROPE: Lilac veined heliotrope.	1.00	3.00	6.00	11.00
MADONNA: Finest pure white.	1.00	3.00	6.00	11.00
ROSE QUEEN: Bright rose pink.	1.00	3.00	6.00	11.00
OREGON PRIDE: Bright salmon pink.	1.00	3.00	6.00	11.00
CHIEF: Salmon rose, overlaid with copper.	1.00	3.00	6.00	11.00

Giants of California

This group is possibly the most popular, especially in the mixtures. **OREGON ROSE, ROSE TRIUMPH** and **CLAMOUR** are new additions to this group in the separate colors this year while **SUPREME** is composed mostly of rose, pink and salmon shades making it most desirable. The others have full color range.

VARIETY	Price per 1/128 oz.	1/4 oz.	1/2 oz.
GLAMOUR: (NEW) Huge ruffled flowers of luscious salmon rose. Throat veined brown on a cream ground.	\$1.00	\$2.00	\$4.00
BODGER'S FLORIST SUPREME: Without doubt the best range of colors; mostly pink, rose and salmon. Of medium growth — 12 to 15 inches — with the largest ruffled flowers. Wide open throat.	1.00	1.50	3.00
DWARF RAMONA GIANTS MIXED: Very dwarf plants with the largest possible flowers. Heavily ruffled and with a fine color range. Extra fine for pot plants.75	1.25	2.50
HARROLD'S SPECIAL BLEND: (NEW) A very dwarf plant habit with flowers sometimes reaching seven inches. Colors are mostly in the darker shades with fine pink and rose shades. Highly recommended.	1.00	2.00	4.00
OREGON ROSE: (NEW) A brilliant rose with deeper rose throat. Plant very compact. Most desirable.	1.00	2.00	4.00
ROSE TRIUMPH: (NEW) Giant flowered deep rose with penciled throat. Plant habit is dwarf and compact.	1.00	2.00	4.00

Ruffled Giants

Similar to Giants of California in flower form although excepting the Ramona and Harrold's Special Blend they are somewhat more compact. Flowers are heavily ruffled and these make excellent pot and bedding plants.

VARIETY	Price per 1/128 oz.	1/4 oz.	1/2 oz.
CAMILLA: Light coppery rose veined ruby.	\$.75	\$1.50	\$3.00
COPPER RED: Dark throat.50	1.00	2.00
PRINCESS OF WUERTEMBERG: Rose with garnet throat.50	1.00	2.00
ROBINHOOD: Dark crimson with darker throat.50	1.00	2.00
SALMON BEAUTY: (MARILYN) Finest rich salmon.60	1.15	2.25
RUFFLED MONSTERS: A very desirable half dwarf type in a most usable color mixture. Popular.50	1.00	1.80
